

2026 SPONSORSHIP OPPORTUNITIES

The Northwest Regional Floodplain Management Association (NORFMA) supports floodplain professionals in Oregon, Idaho, Alaska, Washington, and British Columbia. Our mission is to:

Promote sound floodplain management strategies throughout the Pacific Northwest by providing training, networking opportunities, and forums for discussions of issues in the field of floodplain management.

Why sponsor the NORFMA Conference?

Sponsoring the NORFMA Conference is a great way to support members. Your sponsorship helps us keep the conference registration price lower and provides training and networking opportunities for our membership.

All sponsorships include your logo on the conference website and program, pre-conference attendee roster, sponsor listing in the conference app, and recognition during the conference.

For more information:

Visit https://norfma.org/2026_Annual_Conference to purchase or contact Christina Wollman, NORFMA President, 509-619-7031, norfma@norfma.org.
